To Whom It May Concern:

The Certificate of Correction issued on July 14, 2009, issued in error, in that error(s) was made in identifying the patent number and/or keying text/corrections, i.e.:

Applicant submitted corrections on 1050 in claim and line number format. The cofc was issued in that format. The applicant notated that the error is in Claim 1, Column 31, item (g), but the correction should be properly labeled under --Column 31, Claim 1, lines 42-43--. Attorney submitted the 1050 form in improper format. A new certificate of correction will be issued listing the proper format Column and line number.

Therefore, a certificate of correction will be issued to correct (supersede) the Certificate of Correction containing error(s), made during preparation of the Certificate of Correction, as noted above.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on a *copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
